INDEX OF AUTHORS AND SUBJECTS vol 40 1988

AHMED A. ABDEL-HAMEED. Onchocerciasis in North Yemen: retrospective diagnosis of five cases in lymph node biopsies 374
ADNAN M.B. ABURAJAB. Necrotizing lymphadenitis. Case report and review of the literature 64
Addison's disease
Addison's disease presenting with marked eosinophilia and psychosis 241
Adenocarcinoma
Serous papillary adenocarcinoma of the ovary in a Nigerian child 251
E.O. AGBEDANA and A.O. AKANJI. Plasma lipid profiles and vascular disease in type 2 (non-insulin dependent) Nigerian diabetic patients 88
D.A.M. AGENANT. The Basic Radiological System (BRS): a SIMAVI-BRS project S85
Aids
Cutaneous histoplasmosis in the acquired immune deficiency syndrome – a report of three cases from Trinidad 153
A. AKINOLA, F.E. OKONOFUA, W.O. ODESANMI and A.I. OSHINAIKE. Serous papillary adenocarcinoma of the ovary in a Nigerian child 251
BAKER H. AL-AWAMY, GULZAR AHMED NIAZI, MOHAMMAD I. AL-MOUZAN, MAHDI AL-NAHDI, MAHTAB A. NAEEM and TIMUR SUMER. Serum immunoglobulin and complement levels in patients with sickle cell anaemia from eastern province of Saudi Arabia 13
SAUD F. AL-FAYEZ, M. SALLEH M. ARDAWI and FOUAD M. ZAHRAN. Effects of sheesha and cigarette smoking on pulmonary function of Saudi males and females 115
J.R. ALUOCH, A. DE GEUS and R. GOUDSMIT. Clinical and laboratory features of sickle cell disease in the Netherlands 7
ROY M. ANDERSON. Epidemiological models and predictions S30
Anopheles stephensi
A newly discovered habitat of *Anopheles stephensi* in present-day Calcutta with evidence of natural malarial infection 376
Antimalarial agents
Effects of antimalarial agents on plasma levels of chlorpromazine and its metabolites in schizophrenic patients 31
AYO ARIJE, 'WALE AKINSOLA and G.O.A. LADIPO. Renal function in adult Nigerian diabetics 334
Aspergillus granuloma
Primary paranasal aspergillus granuloma in Saudi Arabia 247
M.A. ATOBA, B.A. OTULANA and A.O. ADEBAJO. Primary liver cell carcinoma associated with infective liver disease 244
KOMLI-KOFI ATSINA and GEORGE ANKRA-BADU. Sensorineural hearing loss in Ghanaians with sickle cell anaemia 205

M. BAHEMUKA, Z.A. KARRAR, I. AL. MOFLEH, H. BAHAKIM and M.A. HAFEEZ. Protean manifestations of Wilson's disease: a review of seven Saudi patients 131
E.N. BARTON, L. ROBERTS, W.E. INCE, A.L. PATRICK, M. SUITE, K. BASDAYE-MAHARAJ, N. JANKEY, F. CLEGHORN and C. BARTHOLOMEW. Cutaneous histoplasmosis in the acquired immune deficiency syndrome – a report of three cases from Trinidad 153
Basic Radiological System
Essential X-ray services: the Basic Radiological System (BRS) S76
Integrated Community Health Care; The Basic Radiological System – Two SIMAVI-supported projects S61
The Basic Radiological System (BRS): A SIMAVI-BRS project S85
Blindness
Prevalence of blindness and visual impairment in the Luapula valley, Zambia 237
Body mass index
Body mass index in non-insulin dependent diabetics in Kenya 93

BOOK REVIEWS
The community health worker (183); Prevention and control of intestinal parasitic infections (183); Parasites: A guide to Laboratory procedures and identification (184); The rational use of drugs (184); Control of Schistosomiasis (185); Years of horror, days of hope: Responding to the Cambodian refugee crisis (185); Abstracts XIIth Internationa' Congress for Tropical Medicine and Malaria (283); Reviewing Health Manpower Development (386); The Provision of spectacles at low cost (386); World Health Statistics Annual 1987 (386).
L.J. BOOMSMA. Clinical aspects of typhoid fever in two rural Nigerian hospitals. A prospective study 97
L.J. BOOMSMA, P.A.M. GUINÉE, W.H. JANSEN and H.E.M. MAAS. Value of the widal test in the diagnosis of typhoid fever in an endemic area and suggestions for a modification. A preliminary study 103
MARCOS BOULOS, ALUISIO A.C. SEGURADO and MARIO SHIROMA. Severe yellow fever with 23-day survival 358
Breast Cancer
Breast cancer in pregnancy and lactation 26
Breast milk
Probable transmission of brucellosis from breast milk to a newborn 151
Brucellosis
Probable transmission of brucellosis from breast milk to a newborn 151
G.D. BURCHARD and E. WINKLER. Concurrent chloroquine and fansidar resistance of *Plasmodium falciparum*: an imported case from Gabon 68

Cancer
Viral infections and cancer in the tropics S52
Carcinoma
Carcinoma in plantar ulcers of leprosy patients 366
Cassava
Diabetes and cassava in Dominica 272
STEPHEN K. CHANDIWANA. Antischistosomal treatment and the measurement of incidence of schistosomiasis in a community of high transmission 316
K. SATISH CHANDRA, A SATHYA PRASAD, C.E. PRASAD, K.J.R. MURTHY and T. SRINIVASULU. Recurrent pneumothoraces in miliary tuberculosis 348
R.K. CHANDRA. Nutrition and immunity S46
Chemical composition
Chronological variation in chemical composition of urinary calculi between 1965-68 and 1982-86 in North-Western India 338
LINCOLN C. CHEN. Ten years after Alma Ata: Balancing different Primary Health Care strategies S22
L.C. CHIEDOZI, F.I. IWEZE, I.F. ABOH and L.N. AJABOR. Breast cancer in pregnancy and lactation 26
Childhood
Intussusception in infancy and childhood 342
Chloroquine
A study on chloroquine resistant falciparum malaria in a rural population in Ghana (*Letter to the editor*) 174
Concurrent chloroquine and fansidar resistance of *Plasmodium falciparum*: an imported case from Gabon 68
Self-medication with chloroquine for malaria prophylaxis in urban and rural Zimbabweans 264
Chlorpromazine
Effects of antimalarial agents on plasma levels of chlorpromazine and its metabolites in schizophrenic patients 31
Community Health Care
Integrated Community Health Care; The Basic Radiological System – Two SIMAVI-supported projects S61

P. COOLES. Diabetes and cassava in Dominica 272
M. CORACHAN, R. ROMERO, J. MAS, A. PALACIN and R. KNOWLES. A case of *Schistosoma intercalatum* infection from Sao Tome 147
M. CORACHAN, J.M. TURA, E. CAMPO, M. SOLEY and A. TRAVERIA. Podoconiosis in Equatorial Guinea, report of two cases from different geological environments 360
Cutaneous histoplasmosis
Cutaneous histoplasmosis in the acquired immune deficiency syndrome – a report of three cases from Trinidad 153

E.E. DAWLATLY, J.T. ANIM, S. SOWAYAN and A.Y. EL-HASSAN. Primary paranasal aspergillus granuioma in Saudi Arabia 247
Diabetes
Body mass index in non-insulin dependent diabetics in Kenya 93
Diabetes and cassava in Dominica 272
Plasma lipid profiles and vascular disease in type 2 (non-insulin dependent) Nigerian diabetic patients 88
Renal function in adult Nigerian diabetics 334
Diabetes mellitus
Concurrent sickle cell disease and diabetes mellitus 201
Diagnosis
The diagnostic value of leukocyte indices and micro-erythrocyte sedimentation rate in neonatal infections 304
Diarrhoea
Beliefs and practices related to diarrhoeal diseases among mothers in Gondar region, Ethiopia 259
Diverticulosis
Diverticula of the colon in three Nigerian siblings 54
Dogs
Occurrence of some blood and intestinal parasites in dogs in Curaçao, Netherlands Antilles 318

M.I. EL-MOUZAN, K. TWAN-DANSO, B.H. AL-AWAMY, G.A. NIAZI and M.T. ALTORKI. Pneumococcal infections in Eastern Saudi Arabia: serotypes and antibiotic sensitivity patterns 213
C.A. ELECHI. A case of meningococcal meningitis with unusual complications 354
Eosinophilia
Addison's disease presenting with marked eosinophilia and psychosis 241
Epidemiology
Epidemiological models and predictions S30
Epidermolysis bullosa
Epidermolysis bullosa, three cases in an African family – medical, social and economic problems in management in a developing country 171
M.A. EPSTEIN. Viral infections and cancer in the tropics S52
JOHN EVANS. Inaugural address S2

Falciparum malaria
A study on chloroquine resistant falciparum malaria in a rural population in Ghana (*Letter to the editor*) 174
Reappearance of unprecedented falciparum malaria: 28 years after the last case in the Cuyuni-Mazaruni-Potaro, Guyana, South America 269
Family planning
Population pressure and the medical profession S40
A.A. FAMODU. Plasma fibrinolytic activity in sickle cell disease 332
S.A. FASHUYI. An observation of the dynamics of intestinal helminth infections in two isolated communities in south-western Nigeria 226
DIDIER FASSIN. Illicit sale of pharmaceuticals in Africa: sellers and clients in the suburbs of Dakar 166
Fibrinolysis
Plasma fibrinolytic activity in sickle cell disease 332

Fibular graft
Chronic osteomyelitis. Use of ipsilateral fibular graft for diaphyseal defects of the tibia 139

G-6-PD deficiency
Glucose-6-phosphate dehydrogenase deficiency in ethnic minorities in the Netherlands 322
Gall stones
A novel aid for the relief of gall-stone pain 70
P.C.C. GARNHAM. Hypnozoites and 'relapses' in *Plasmodium vivax* and in vivax-like malaria (*Swellengrebel Lecture*) 187
J. GASCON, M. BRUGUERA, M. CORACHAN, A. MAYOR, J.M. SANCHEZ TAPIAS and J. RODES. Serological survey of hepatitis B in Northern Rwanda 294
Genetic counseling
Epidermolysis bullosa, three cases in an African family – medical, social and economic problems in management in a developing country 171
A.O. GEORGE. Epidermolysis bullosa, three cases in an African family – medical, social and economic problems in management in a developing country 171
A. DE GEUS (Ed.). Integrated Community Health Care; The Basic Radiological System – Two SIMAVI-supported projects S61
A. DE GEUS (Ed.). State of the Art Lectures. . 1th International Congress for Tropical Medicine and Malaria, Amsterdam, 1988 S1
K. GHOSH, S.W. HASAN and S. KUMAR. Hereditary persistence of foetal haemoglobin in Northwest India 209
K. GHOSH, R. SARODE, N. VARMA, S. VARMA and G. GAREWAL. Amegakaryocytic thrombocytopenia of nutritional vitamin B12 deficiency 158
Glyceryl trinitrate
A novel aid for the relief of gall-stone pain 70
H.S. GOYEA. The low income preschools in Benin City: some health aspects of the children 370

Haematology
The pattern of haematological and lymphoreticular malignancy in Zimbabwe 109
Haemoglobin E
Trait of thalassaemia and haemoglobin E in Surabaya, Indonesia 128
G.P. HANSON. Essential X-ray services: The Basic Radiological System (BRS) S76
AMIYA KUMAR HATI, KAJJAL KUMAR CHATTERJEE, DEBASISH BISWAS, ASHOK KUMAR MUKHOPADHYAY and DINESH SAHA. A newly discovered habitat of *Anopheles stephensi* in present-day Calcutta with evidence of natural malarial infection 376
NOUR-EL-DIN HAWASS, TAIYEWO KOLAWOLE, ABDEL HADI ISMAIL and PRAVINCHANDRA J. PATEL. Tumoral calcinosis: case reports from Saudi Arabia with a review of the literature 58
Health aspects
The low income preschools in Benin City: some health aspects of the children 369
Hearing loss
Hearing in primary school children in an iodine-deficient population in Chinamhora, Zimbabwe 223
Sensorineural hearing loss in Ghanaians with sickle cell anaemia 205
Hepatitis
The etiology of acute hepatitis in adults in Egypt 285
Hepatitis B
Prevalence of anti-delta antibodies in pregnant women in Bandung, Indonesia 17
Serological survey of hepatitis B in Northern Rwanda 293
Hereditary persistence of foetal haemoglobin
Hereditary persistence of foetal haemoglobin in Northwest India 209
DEIRDRE A. HERRINGTON, DAVID F. CLYDE, JAMES R. MURPHY, SHAHIDA BAQAR, MYRON M. LEVINE, VIRGILIO DO ROSARIO and MICHAEL R. HOLLINGDALE. A model for *Plasmodium falciparum* sporozoite challenge and very early therapy of parasitaemia for efficacy studies of sporozoite vaccines 124

W.M.M. HUIGE and P. SLIGCHER. A study on chloroquine resistant falciparum malaria in a rural population in Ghana (*Letter to the editor*) 174
Hyperkeratosis palmoplantaris
Hyperkeratosis palmoplantaris (Papillon-Lefèvre syndrome) 257
Hypnozoites
Hypnozoites and 'relapses' in *Plasmodium vivax* and in vivax-like malaria (*Swellengrebel Lecture*) 187

Illicit sale
Illicit sale of pharmaceuticals in Africa: sellers and clients in the suburbs of Dakar 166
Immigrants
Giucose-6-phosphate dehydrogenase deficiency in ethnic minorities in the Netherlands 322
Immunity
Nutrition and immunity S46
Inaugural address
Inaugural address S2
Incidence
Antischistosomal treatment and the measurement of incidence of schistosomiasis in a community of high transmission 314
Intestinal helminth infections
An observation of the dynamics of intestinal helminth infections in two isolated communities in south-western Nigeria 226
Intussusception
Intussusception in infancy and childhood 342
Iodine deficiency
Hearing in primary school children in an iodine-deficient population in Chinamhora, Zimbabwe 223
Iron deficiency
Evaluation of iron status in Chadian pregnant women: consequences of maternal iron deficiency on the haematopoietic status of newborns 1

Z. JEZEK, B. GRAB, K.M. PALUKU and M.V. SZCZENIOWSKI. Human monkeypox: disease pattern, incidence and attack rates in a rural area of northern Zaïre 73

UPJEET KAUR, P. BAMBERY, S.R. BHUSHNURMATH, S.D. DEODHAR and J.B. DILAWARI. Successful long term oral zinc in florid Wilson's disease: a case report 161
Kawasaki disease
Kawasaki disease in an adult Trinidadian male 254
BERTRAM KULASEKARA. Hyperkeratosis palmoplantaris (Papillon-Lefèvre syndrome) 257
T.T. KURUVILLA, V. NARAYNSINGH, G.C. RAJU and L.U. MANMOHANSINGH. Intussusception in infancy and childhood 342

CHRISTOPHER P. LEE. A novel aid for the relief of gall-stone pain 70
Leprosy
Carcinoma in plantar ulcers of leprosy patients 365
LORRAINE M. LEVY. The pattern of haematological and lymphoreticular malignancy in Zimbabwe 109
Liver infection
Primary liver cell carcinoma associated with infective liver disease 244
Liver neoplasm
Primary liver cell carcinoma associated with infective liver disease 244
M. LUBANI, D. SHARDA and I. HELIN. Probable transmission of brucellosis from breast milk to a newborn 151
Lymph node biopsies
Onchocerciasis in North Yemen: retrospective diagnosis of five cases in lymph node biopsies 373

T.O. MAJOROH and W.I. IMONGAN. Carcinoma in plantar ulcers of leprosy patients 365
R.O.A. MAKANJUOLA, P.A.F. DIXON and E. OFORAH. Effects of antimalarial agents on plasma levels of chlorpromazine and its metabolites in schizophrenic patients 31
Malaria
A newly discovered habitat of *Anopheles stephensi* in present-day Calcutta with evidence of natural malarial infection 376
Malaria vaccine
A model for *Plasmodium falciparum* sporozoite challenge and very early therapy of parasitaemia for efficacy studies of sporozoite vaccines 124
Development of malaria vaccines S6
Malignancy
The pattern of haematological and lymphoreticular malignancy in Zimbabwe 109
A.O. MALU, B.R. SANUSI and E.N. OBINECHE. Addison's disease presenting with marked eosinophilia and psychosis 241
MALLEDE MARU, ADUGNAW GETAHUN and SIBUH HOSANA. A house-to-house survey of neonatal tetanus in urban and rural areas in the Gondar region, Ethiopia 233
Meningococcal meningitis
A case of meningococcal meningitis with unusual complications 353
Miang chewing
Miang chewing in northern Thai villagers 39
Molluscicide
The geographical variation in the molluscicidal potency of *Phytolacca dodecandra* (endod) berries in Zimbabwe 34
Monkeypox
Human monkeypox: disease pattern, incidence and attack rates in a rural area of northern Zaïre 73
J.M. MUKIIBI and J. KYOBE. Pattern of multiple myeloma in Kenyans 20
Multiple myeloma
Pattern of multiple myeloma in Kenyans 20
Multiple pregnancy
Multiple pregnancy as a risk factor in rural Tanzania 196

J. NDAMBA and S.K. CHANDIWANA. The geographical variation in the molluscicidal potency of *Phytolacca dodecandra* (endod) berries in Zimbabwe 34
Necrotizing lymphadenitis
Necrotizing lymphadenitis. Case report and review of the literature 64
Neonatal infections
The diagnostic value of leukocyte indices and micro-erythrocyte sedimentation rate in neonatal infections 304
Neonatal tetanus
A house-to-house survey of neonatal tetanus in urban and rural areas in the Gondar region, Ethiopia 233
Neurocysticercosis
Cerebral infarct precipitated by praziquantel in neurocysticercosis – a cautionary note 143
Nutrition
Nutrition and immunity S46
M.U. NWANKWO, A.M. DYM, K.E. SCHUIT, E. OFFOR and J.A. OMENE. Seasonal variation in respiratory syncytial virus infections in children in Benin-City, Nigeria 309

A.O.K. OBEL. Body mass index in non-insulin dependent diabetics in Kenya 93
A.A. OKOLO, A.B. SCOTT-EMUAKPOR and J.A. OMENE. The diagnostic value of leukocyte indices and micro-erythrocyte sedimentation rate in neonatal infections 304
M.F. OMOJOLA and E. MANGETE. Diverticula of the colon in three Nigerian siblings 54
Onchocerciasis
Onchocerciasis in North Yemen: retrospective diagnosis of five cases in lymph node biopsies 373

O. ONUBA. Chronic osteomyelitis. Use of ipsilateral fibular graft for diaphyseal defects of the tibia 139
Osteomyelitis
Chronic osteomyelitis. Use of ipsilateral fibular graft for diaphyseal defects of the tibia 139
Ovary
Serous papillary adenocarcinoma of the ovary in a Nigerian child 251

Pancreatic diabetes
Fibrocalculous pancreatic diabetes in Papua New Guinea 84
Paranasal sinus
Primary paranasal aspergillus granuloma in Saudi Arabia 247
Parasites
Occurrence of some blood and intestinal parasites in dogs in Curaçao, Netherlands Antilles 318
Parasitology
Meeting Netherlands Society for Parasitology, April 23, 1987 176
Meeting Netherlands Society for Parasitology, April 7, 1988 382
Meeting Netherlands Society for Parasitology, October 30, 1987 274
A.L. PATRICK, E.N. BARTON and J.B. VINCENTE. Kawasaki disease in an adult Trinidadian male 254
Perinatal mortality
Multiple pregnancy as a risk factor in rural Tanzania 196
L.H. PERRIN, Ph. SIMITSEK and I. SRIVASTAVA. Development of malaria vaccines S6
Pharmaceuticals
Illicit sale of pharmaceuticals in Africa: sellers and clients in the suburbs of Dakar 166
Phytolacca dodecandra
The geographical variation in the molluscicidal potency of *Phytolacca dodecandra* (endod) berries in Zimbabwe 34
Plasma lipids
Plasma lipid profiles and vascular disease in type 2 (non-insulin dependent) Nigerian diabetic patients 88
Plasmodium falciparum
A model for *Plasmodium falciparum* sporozoite challenge and very early therapy of parasitaemia for efficacy studies of sporozoite vaccines 124
Concurrent chloroquine and fansidar resistance of *Plasmodium falciparum*: an imported case from Gabon 68
Plasmodium vivax
Hypnozoites and 'relapses' in *Plasmodium vivax* and in vivax-like malaria (*Swellengrebel Lecture*) 187
Pneumococcal infections
Pneumococcal infections in Eastern Saudi Arabia: serotypes and antibiotic sensitivity patterns 213
Pneumothorax
Recurrent pneumothoraces in miliary tuberculosis 347
Podoconiosis
Podoconiosis in Equatorial Guinea, report of two cases from different geological environments 359
Population
Population pressure and the medical profession S40
Praziquantel
Cerebral infarct precipitated by praziquantel in neurocysticercos – a cautionary note 143
Pregnancy
Breast cancer in pregnancy and lactation 26
Evaluation of iron status in Chadian pregnant women: consequences of maternal iron deficiency on the haematopoietic status of newborns 1
Prevalence of anti-delta antibodies in pregnant women in Bandung, Indonesia 17
Preschool children
The low income preschools in Benin City: some healt aspects of the children 369

Primary Health Care
Limitations of the primary health care model. A case study from Bangladesh 45
Ten years after Alma Ata: Balancing different Primary Health Care strategies S22
The SIMAVI-Tanga project for self-help in health. An assessment of a comprehensive primary health care programme S63
A. PRUAL, P. GALAN, L. DE BERNIS and S. HERCBERG. Evaluation of iron status in Chadian pregnant women: consequences of maternal iron deficiency on the haematopoietic status of newborns 1
Pulmonary function
Effects of sheesha and cigarette smoking on pulmonary function of Saudi males and females 115

Radiology
The Basic Radiological System (BRS): a SIMAVI-BRS project S85
Essential X-ray services: the Basic Radiological System (BRS) S76
INDAL RAMBAJAN. Reappearance of unprecedented falciparum malaria: 28 years after the last case in the Cuyuni-Mazaruni-Potaro, Guyana, South America 269
PETER A. REICHART, HANS P. PHILIPSEN, ULRICH MOHR, HEINZ GEERLINGS and SAMPAN SRISUWAN. Miang chewing in northern Thai villagers 39
HARVEY L. REID, DIMITRIOS P. PHOTIADES, JOHN M. OLI and WINIFRED KAINE. Concurrent sickle cell disease and diabetes mellitus 201
Renal function
Renal function in adult Nigerian diabetics 334
Respiratory syncytial virus infections
Seasonal variation in respiratory syncytial virus infections in children in Benin-City, Nigeria 309
JOHN E. RICHENS and STEVEN WESSELINGH. Fibrocalculous pancreatic diabetes in Papua New Guinea 84
JOS VAN ROOSMALEN. Multiple pregnancy as a risk factor in rural Tanzania 196

NAFIS SADIK. Population pressure and the medical profession S40
J.S. SAINI, A. SHARMA and P. PILLAI. Scleral tuberculosis 350
FARID CHARBEL SALEH, CARL EDWARD KIRKPATRICK, OLAV DE HASETH and JAMES BARRON LOK. Occurrence of some blood and intestinal parasites in dogs in Curaçao, Netherlands Antilles 318
Schistosoma intercalatum
A case of *Schistosoma intercalatum* infection from Sao Tome 147
Schistosomiasis
Antischistosomal treatment and the measurement of incidence of schistosomiasis in a community of high transmission 314
Scleral tuberculosis
Scleral tuberculosis 350
Self-medication
Self-medication with chloroquine for malaria prophylaxis in urban and rural Zimbabweans 264
Sickle cell anaemia
Sensorineural hearing loss in Ghanaians with sickle cell anaemia 205
Serum immunoglobulin and complement levels in patients with sickle cell anaemia from eastern province of Saudi Arabia 13
Sickle cell disease
Clinical and laboratory features of sickle cell disease in the Netherlands 7
Concurrent sickle cell disease and diabetes mellitus 201
Plasma fibrinolytic activity in sickle cell disease 331
SIMAVI
Integrated Community Health Care; The Basic Radiological System – Two SIMAVI-supported projects S61
The Basic Radiological System (BRS): a SIMAVI-BRS project S85
The SIMAVI-Tanga project for self-help in health. An assessment of a comprehensive primary health care programme S63

BIMAL K. SIRCAR and MELAKE BERHAM DAGNOW. Beliefs and practices related to diarrhoeal diseases among mothers in Gondar region, Ethiopia 259
Smoking
Effects of sheesha and cigarette smoking on pulmonary function of Saudi males and females 115
Society
Meeting Netherlands and Belgian Societies of Tropical Medicine, April 3-4, 1987 379
Meeting Netherlands Society for Parasitology, April 23, 1987 176
Meeting Netherlands Society for Parasitology, April 7, 1988 382
Meeting Netherlands Society for Parasitology, October 30, 1987 274
Meeting Netherlands Society of Tropical Medicine, January 31, 1987 71
Splenectomy
Splenectomy in massive tropical splenomegaly: two-to six-year follow-up in 14 patients 298
Splenomegaly
Splenectomy in massive tropical splenomegaly: two-to six-year follow-up in 14 patients 298
State of the Art Lectures
State of the Art Lectures. XIIth International Congress for Tropical Medicine and Malaria, Amsterdam, 1988 S1
C.M. STEIN, N.P. GORA and B.M. MACHEKA. Self-medication with chloroquine for malaria prophylaxis in urban and rural Zimbabweans 264
T.Y. SUKWA, D.H. MWANDU, T.C. NGALANDE, S. SIZIYA and M. MUKUNYANDELA. Prevalence of blindness and visual impairment in the Luapula valley, Zambia 237
Survey
A house-to-house survey of neonatal tetanus in urban and rural areas in the Gondar region, Ethiopia 233
Serological survey of hepatitis B in Northern Rwanda 293

Thalassaemia
Trait of thalassaemia and haemoglobin E in Surabaya, Indonesia 128
Thiamin deficiency
Thiamin intakes and erythrocyte thiamin levels in eleven-year-old children in the Western Cape 218
S.K. THIND, H. SIDHU, R. NATH, G.C. MALAKANDAIAH and S. VAIDYANATHAN. Chronological variation in chemical composition of urinary calculi between 1965-68 and 1982-86 in North-Western India 338
Thrombocytopenia
Amegakaryocytic thrombocytopenia of nutritional vitamin B12 deficiency 158
M.C. THURIAUX. Wilson's disease in the Arabian peninsula (*Letter to the editor*) 378
CHARLES H. TODD, DAVID SANDERS and TARIRO CHIMANYIWA. Hearing in primary school children in an iodine-deficient population in Chinamhora, Zimbabwe 223
Tropical medicine
Meeting Netherlands and Belgian Societies of Tropical Medicine, April 3-4, 1987 379
Meeting Netherlands Society of Tropical Medicine, Januari 31, 1987 71
Tuberculosis
Recurrent pneumothoraces in miliary tuberculosis 347
Tumoral calcinosis
Tumoral calcinosis: case reports from Saudi Arabia with a review of the literature 58
Typhoid fever
Clinical aspects of typhoid fever in two rural Nigerian hospitals. A prospective study 97
Value of the widal test in the diagnosis of typhoid fever in an endemic area and suggestions for a modification. A preliminary study 103

SANDI UNTARIO. Trait of thalassaemia and haemoglobin E in Surabaya, Indonesia 128
Urinary calculi
Chronological variation in chemical composition of urinary calculi between 1965-68 and 1982-86 in North-Western India 338

Viral infections
Viral infections and cancer in the tropics S52
Vitamin B12 deficiency
Amegakaryocytic thrombocytopenia of nutritional vitamin B12 deficiency 158
G.C.J. VOGEL, E. van PRAAG and G.J. EBRAHIM. The SIMAVI-Tanga project for self-help in health. An assessment of a comprehensive primary health care programme S63
R. VRANCKX, J. RENIERS, A. ALISJAHBANA, W. NGANTUNG, E. SUGITA and A. MEHEUS. Prevalence of anti-delta antibodies in pregnant women in Bandung, Indonesia 17
WILLEM HENDRIK VRIEND, STEPHEN L. HOFFMAN, TIGOR SILABAN and MUHAMMAD ZAINI. Splenectomy in massive tropical splenomegaly: two-to six-year follow-up in 14 patients 298

JUSTIN VAN DER WESTHUYZEN, NELIA P. STEYN, GRAHAM C. ICKE and RICHARD E. DAVIS. Thiamin intakes and erythrocyte thiamin levels in eleven-year-old children in the Western Cape 218
Wilson's disease
Protean manifestations of Wilson's disease: a review of seven Saudi patients 131
Successful long term oral zinc in florid Wilson's disease: a case report 161
Wilson's disease in the Arabian peninsula (*Letter to the editor*) 378
B.H.M. WOLF, R.B.H. SCHUTGENS, N.J.D. NAGELKERKE and R.S. WEENING. Glucose-6-phosphate dehydrogenase deficiency in ethnic minorities in the Netherlands 322
IVAN WOLFFERS. Limitations of the primary health care model. A case study from Bangladesh 45
E. WOO, Y.L. YU and C.Y. HUANG. Cerebral infarct precipitated by praziquantel in neurocysticercosis – a cautionary note 143

Yellow fever
Severe yellow fever with 23-day survival 356

S. ZAKARIA, R.S. GOLDSMITH, M.A. KAMEL and E.H. EL-RAZIKY. The etiology of acute hepatitis in adults in Egypt 285
Zinc
Successful long term oral zinc in florid Wilson's disease: a case report 161
